Derek Brodie joins Pivotal Systems as VP Worldwide Field Operations

Fremont, California and Sydney, Australia; 19 June 2021 – Pivotal Systems Corporation (“Pivotal” or the “Company”) (ASX: PVS), a leading provider of innovative gas flow control (GFC) solutions to the semiconductor industry, today announces the hiring of Mr. Derek Brodie as the VP of WW Field Operations. Mr. Brodie comes to Pivotal after 26 years at Applied Materials working primarily in the Etch Product Business Group.

Pivotal Chairman and CEO John Hoffman stated, “We are very fortunate to have Derek lead our global technical teams in supporting our advanced customers. Derek’s experience with key industry device manufacturers like TSMC, Intel and other leading IDM’s is critical in Pivotal taking the next steps in providing value to these leading accounts.”

Mr. Brodie commented, “Critical flow control is at the heart of all leading and next generation process gas requirements. Pivotal, with its innovative high speed and high accuracy technology, is the future. I am very pleased to join the team.”

an order of magnitude increase in fab productivity and capital efficiency for existing and future technology nodes. For more information on Pivotal Systems Corporation, visit <https://www.pivotalsys.com/>.

Notice to U.S. persons: restriction on purchasing CDIs

Pivotal Systems is incorporated in the State of Delaware and its securities have not been registered under the U.S. Securities Act of 1933 or the laws of any state or other jurisdiction in the United States. Trading of Pivotal Systems' CHESS Depository Interests ("CDIs") on the Australian Securities Exchange is not subject to the registration requirements of the U.S. Securities Act in reliance on Regulation S under the U.S. Securities Act and a related 'no action' letter issued by the U.S. Securities and Exchange Commission to the ASX in 2000. As a result, the CDIs are "restricted securities" (as defined in Rule 144 under the U.S. Securities Act) and may not be sold or otherwise transferred except in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act. For instance, U.S. persons who are qualified institutional buyers ("QIBs", as defined in Rule 144A under the U.S. Securities Act) may purchase CDIs in reliance on the exemption from registration provided by Rule 144A. To enforce the transfer restrictions, the CDIs bear a FOR Financial Product designation on the ASX. This designation restricts CDIs from being purchased by U.S. persons except those who are QIBs. In addition, hedging transactions with regard to the CDIs may only be conducted in compliance with the U.S. Securities Act.
